We'd like to exchange a free drink for 10 minutes of any 'Coffee Queen's' time. We'll be photographing only 3 shots per model guest. We'll select the best photo for our Web media and run it online for 1 year. The selected model for this theme will be credited and will receive a free drink each visit to the cafe during the duration of the image use. All women are welcome to attend, but only 3 will be featured in final selection.

Theme 1: Hot and Frothy- This is a concept that will portray 'Cappuccino and Latte' style artistry. Our guest model will feature our popular Cool Season drinks.

Theme 2: Sweet Ice- This is a concept that will portray 'Flavored Frappe' style coffee drinks. Our chosen guest model will display items or products from our Coffee Menu that are popular drinks during the summer.

Theme 3: Queen Bean- This concept will portray 'Bean Variety' from our Roasted Bean Selections. Our chosen guest model will display 8 varieties of Devour Roast craft roasted coffees. These are coffees that we sell off-the-shelf in our Cafe.
